PITTSWORTH STATE HIGH SCHOOL

50th Year Jubilee Celebrations

9TH SEPTEMBER 2017

2017 is an important year in the history of Pittsworth State High School. To celebrate our 50th Anniversary we are embarking on a project to pave part of the school grounds. The designated area is situated between B Block and the Auditorium. This follows in the tradition of the school doing school improvements to mark milestones (Sir Alan Fletcher Open Air Theatre to mark our 25th Anniversary and the town's project of paving the footpath in Yandilla Street to celebrate the Bi Centenary). We are inviting all who have had an association with the school over its fifty year history to mark the occasion by purchasing an engraved paver as a permanent link to our great school and to start the second fifty years in style. Our official Jubilee celebration will be held on Saturday 9th September, 2017.

Paver and Jubilee Merchandise order forms are to be returned with payment. Merchandise will be available for collection on 9th September, 2017 or can be posted.
